

## CALL FOR TENDER

### Representation of Personal Protective Equipment and Textile care SMEs in the European standardisation process

**Deadline for tenders: 14 December 2021 midnight CET**

Please send your proposal to: [president@sbs-sme.eu](mailto:president@sbs-sme.eu)

The appointment of the selected entity is contingent on the signature of a Framework Partnership agreement and annual Action Grant with the European Commission as well as the approval of the 2022 Work Programme and budget and the decision of the governing bodies of SBS

#### A. Background

Small Business Standards (SBS) aims at representing small and medium-sized enterprises (SMEs) in the standardisation process, motivate them to get involved and raise their awareness about standardisation. In this framework, SBS is launching a call for tender to select an entity to represent and defend the interests of SMEs in the development of Personal Protective Equipment (PPE) & Textile care related standards and relevant Commission Expert and Working Groups in close cooperation with the SBS Secretariat.

The selected entity should carry out the **tasks and activities as described in section B of this call**, all of which fall under SBS' Work Programme 2022. SBS will select, through this tendering procedure, the entity that demonstrates the best technical and professional capability to perform the activities described below. The selected entity will be offered a contract for one year to carry out these activities. The contract may be renewed annually depending on the satisfactory performance of the selected entity, the availability of funding and the decision of the governing bodies of SBS. The call will be co-funded by the European Commission and the European Free Trade Association (EFTA).

#### B. Tasks and work to be performed

SBS has identified the following activities as relevant for its 2022 Work Programme and the representation of SMEs in standardisation in the PPE & Textile care sector. The selected entity will lead all the activities on PPE & Textile care related standardisation issues and be responsible for them, including their conception, setting up, planning, implementation, and follow-up. In addition to the PPE & Textile care related activities described below, the selected entity will, if required by SBS, take the lead on, provide input or participate in ad-hoc activities where expertise in the PPE & Textile care sector is needed.

The main tasks to be performed are as follows:

✓ **Animation and management of the SBS PPE & Textile care WG to coordinate SBS members and experts' positions**

The selected entity will be responsible for managing and providing the Secretariat of the SBS PPE & Textile care Working Group to offer SBS members and experts a means to collaborate and exchange information on issues related to PPE & Textile care standards, policy and the work in relevant technical committees. This group will also be involved in the development of sectoral opinions and positions. The selected entity is expected to organise two-three Working Group meetings in 2022. Whenever possible, meetings will be organised virtually. The Working Group will also provide expertise in relation to the PPE & Textile care area to other SBS working groups when required.

✓ **Development of position papers and replies to relevant consultations related to PPE & Textile care**

The selected entity will engage the SME and SBS community into discussions on PPE & Textile care standards to stimulate feedback and elaborate consensus-based SME positions and replies to consultations relevant to standardisation in this area. Topics will vary depending on the ongoing public consultations, standardisation developments and/or on specific requests by the membership.

✓ **Contribution to SBS publications and communication activities**

The selected entity will regularly contribute and provide content for the SBS publications (e.g., internal and external newsletters) and other communication activities (e.g., social media) to disseminate to the SME community developments in relevant standardisation committees as well as in European Commission groups related to the PPE & Textile care sector.

✓ **Participation in European Commission Expert Groups on Personal Protective Equipment and the Medical Devices Coordination Group**

The selected entity will adequately represent SBS in the European Commission's Expert Group on Personal Protective Equipment and the Standardisation WG of the Medical Devices Coordination Group. The selected entity will ensure it pro-actively contributes to the discussions by bringing in the SME perspective and will regularly report to the SBS Secretariat on meetings attended and relevant developments.

✓ **Participation in the CEN-CENELEC Advisory Board for Healthcare Standards and the CEN Sector Forum on PPE**

The selected entity will adequately represent SBS in relevant European Standards Bodies Groups such as the CEN-CENELEC Advisory Board for Healthcare Standards and the CEN Sector Forum on Personal Protective Equipment. The selected entity will ensure it pro-actively contributes to the discussions by

bringing in the SME perspective and will regularly report to the SBS Secretariat on meetings attended and relevant developments.

✓ **Contribution to SBS reporting activities, selection of SBS PPE & Textile care experts and coordination meetings**

The selected entity will contribute to the SBS mid-term and final reports to the European Commission and EFTA and provide replies to any questions related to its activities raised by these two organisations. The selected entity is also expected to participate in the monthly coordination meetings organised by SBS with its partners and subcontractors and, to provide input to the SBS activity reports to the Board and General Assembly. The selected entity may also be requested to provide its opinion in the context of the evaluation and selection of SBS experts in the PPE & Textile care area to represent SMEs in European and International Technical Committees and Working Groups.

**C. Eligibility and selection criteria**

Applying entities shall be based in an EU or EFTA Member State and demonstrate the SME representativeness of their membership. **Entities** replying to this call **may be but DO NOT NEED TO BE a member of SBS.**

The selected entity shall commit to co-finance 11% of the total cost of the action by paying SBS in advance the relevant amount.

The tender will be awarded based on the best value for money principle. The criteria that will be considered are as follows:

- The technical and professional capacity to carry out the activities and more specifically expertise on PPE & Textile care, standardisation and SMEs (30 points)
- Understanding of the activities to be performed and organisation of the work (35)
- Resource allocation, including the distribution of responsibilities and time allocation of the proposed team (35 points)

The tenderers will be ranked based on the points obtained in relation to the above-mentioned award criteria.

**D. Estimated value, contract and co-funding**

The maximum estimated value to carry out the activities described is €49,500 (VAT excluded). Only proposals within this range will be considered. Travel costs are not included in this amount. Travel costs will be reimbursed based on real costs and up to a maximum yearly overall amount of €7,200.

The allocation of the budget is subject to the approval of the SBS governing bodies as well as the conclusion of a Framework Partnership Agreement and annual Action Grant with the European Commission and EFTA.

Tenderers will be notified of the outcome by email. The selected entity shall commit to co-finance 11% of the total cost of the action by paying SBS the relevant amount in advance.

Following the payment of the co-funding, the selected entity will be offered a contract for one year from January to December 2022 to carry out the activities described in the call. The contract may be renewed annually depending on the satisfactory performance of the tasks, the availability of funding and the decision of the governing bodies of SBS.
